

Dear Valued Community Partner,

I hope you are well.

We are proud to host the **NAIDOC Senior Youth Ball**, a special event that celebrates and empowers young Aboriginal and Torres Strait Islander people. Events like this are vital in strengthening our local Indigenous community by creating positive, culturally affirming spaces where young people can feel recognised, connected, and inspired.

Our young people are our future leaders, cultural custodians, and community builders. The NAIDOC Senior Youth Ball is an opportunity to nurture confidence, pride, connection, and aspiration, while giving young people an experience that honours their identity and potential. By supporting this event, your organisation can play a meaningful role in investing in their growth and wellbeing.

To help make this important event possible, we are inviting valued community partners to sponsor a table through a donation. In recognition of your support, your organisation will receive a custom **plaque**, which will be displayed at the ball and later presented to you as a token of our sincere appreciation.

Please note that this is a **child-only event**, with the evening dedicated entirely to celebrating our young people. Table sponsorship is therefore a contribution to the event rather than an invitation to attend.

We would be truly grateful if your organisation would consider supporting the NAIDOC Senior Youth Ball through a donation. Your contribution will directly help create a memorable and meaningful experience for our young people, while demonstrating your commitment to supporting the local Indigenous community.

If you would be interested in donating or request further information, please contact **Joshua Dean** on **0447 506 773**.

Thank you for considering this opportunity to support and celebrate the next generation.

Warm regards,

A handwritten signature in black ink that reads "Shu Brown". The signature is fluid and cursive, with the first letter 'S' being particularly large and stylized.

Shu Brown
