

CITY OF BALLARAT

Developer and Planning Industry Forum

To provide information and updates on projects, the City of Ballarat warmly invites you to attend our upcoming Developer and Planning Industry Forum. This session will provide valuable insights into current and upcoming planning and development related projects.

Tuesday 10 March | 3.30–5pm

Ballarat Town Hall, Trench Room

Agenda

Welcome and General Industry Update

Community Housing Industry Association (CHIA)

Urban Forest Strategy Update

Canopy cover provisions in the planning scheme

This session is designed to foster collaboration and transparency between City of Ballarat and the development and planning industry. We encourage developers, planners, consultants and other industry professionals to attend and participate.

Scan to register

Free to attend however attendance must be registered.

Registrations close Thursday 5 March.

We look forward to your participation and to continuing our work together to shape a thriving and sustainable community.
